## Designing for users with physical or motor disabilities

Do	Don't
make large clickable actions	demand No precision
give form fields space	bunch interactions together
design for keyboard or speech only use	make dynamic content that requires a lot of mouse movement  1 2 2a 3 2b 2c
design with mobile and touchscreen in mind	have short time out windows  Your session has timed out
provide shortcuts  Postcode  Find address	tire users with lots of typing and scrolling  Address  Address
